ABOUT US

In essence, Jai Judicial Academy began when Our Founder and a Former Judge, Mr. Jai Prakash Narain began helping his nieces and nephews in their Judiciary preparation after coming back home from the Court. As someone who had cleared DJS and was serving as a Metropolitan Magistrate, he knew exactly what kind of preparation was needed to ace the exams. He began preparing notes for them and teaching them along the way. His hard-work paid off and his strategy, study material and teaching proved to be a massive success. Not only did one or two of his family members clear judiciary exams, all of them who prepared under his guidance managed to succeed with flying colours. This is when he knew he had a contribution to make to students preparing for judiciary. Not long after, he officially started Jai Judicial Academy... and the rest is history!

WE UNDERSTAND YOUR *CHALLENGES*

With approximately 1 lakh graduates appearing for judiciary exams every year;
& infrequent vacancy announcements on short notice periods;
& high costs of preparation that sometimes lasts years;
& lengthy syllabus that requires hours and hours of labour;
& lack of clarity of guidance

... the journey towards your success at becoming a Judge is often HIGHLY COMPETITIVE, UNPREDICTABLE, GRUELING AND CHALLENGING.

While the journey to sit behind the honourable podium is a tough one, there are many ways in which it can be made significantly easier. We at Jai Judicial Academy are dedicated to doing exactly this.

WE UNDERSTAND YOUR *CHALLENGES*

No more spending years preparing due to lack of correct guidance...

No more confusion about how to prepare and what to focus on...

No more needing multiple sources to yield good results...

No more struggling to retain the syllabus...

No more struggling to apply the law effectively...

No more struggling with your writing skills & answer formation...

No more getting lost in a class of thousands of students...

No more losing motivation mid-preparation...

OUR VISION

Our Vision at Jai Judicial Academy, is to provide you with everything you might need in your journey towards achieving success in the field of judiciary. Our coaching institute is dedicated to making your life easier during the vastly challenging preparation phase - be it formulating a preparation strategy that yields result, or preparing concise and impactful notes, or understanding application of law, or developing writing skills, or working on articulation for the interview portion of the exam, or making sure you are tested regularly... we have you fully covered. HEAR FROM THE JUDGES THEMSELVES...

I came to JJA pretty frustrated with my experience in giving judiciary exams. I had very little hope before JJA and continuously doubted my ability to succeed. Within no time of being at JJA, I realised that the problem with my preparation was lack of a proper strategy and clarity of concepts. The faculty here tackled those issues within no time and today I'm serving at my dream job. I cannot say enough good words about JJA. They have been a blessing!

The precision that Jai Sir teaches with and his command over law is what helped me Rank 1st in DJS in just ONE YEAR'S PREPARATION. I knew exactly what to study and what to leave. Even the interview questions were exactly those that Sir had guided me to prepare for. His bullseye mind is secret to my quick success.

HEAR FROM THE JUDGES THEMSELVES...

Sir's understanding of law is clear and deep, plus he never fails to teach using current judgements. A teacher that is constantly learning himself is exactly the teacher you need to succeed in judiciary exams.

I was supported every step of the way. From clearing doubts, to helping plan schedule, to separate PT & mains prep, to interview preparation. No aspect of the exam was ignored. I'm glad I chose JJA over others.

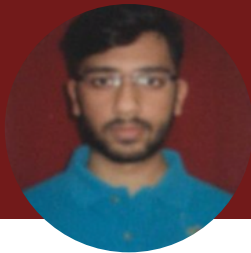

The homely atmosphere at JJA was instrumental in my success. The preparation period can be really stressful and having Jai Sir as a mentor put me at ease. He is friendly, inspiring and a great great teacher. 10/10 recommend studying at JJA!

HEAR FROM THE JUDGES THEMSELVES...

Every ounce of my success is dedicated to Jai Sir and Jai Judicial Academy. All I did was study from their notes and attend the classes regularly. Those were enough for doing well and succeeding.

With so many Acts and so many sections and so many exceptions and case law, studying for the exam was really overwhelming. Jai Sir made everything so simple. I don't think I could have achieved that clarity on my own.

The hostel was a great environment to focus on studies and learn from other equally dedicated students. I don't think I could have cleared the exam studying at home alone. The atmosphere makes a lot of difference and JJA provided the perfect one for excellence.

HEAR FROM THE JUDGES *THEMSELVES...*

Every time I felt hopeless and tired and felt like giving up, the faculty brought me hope and the fighting spirit to keep working hard for my dreams. The classes are packed with clarity, precision and motivation.

Jai Sir's experience talks. No question was ever left unanswered. And not only was it answered, there was always so much nuance in Jai Sir's answers. I learnt a lot from him, especially how to articulate what I want to say with clarity.

HEAR FROM THE JUDGES THEMSELVES...

You cannot go wrong with the decision of joining JJA. Incredible teachers. Good study material. And the tests are absolutely on point.

I thought I understood law and then I came to JJA. Sir is an incredible teacher. I still look upto him and apply what he taught us.

The material is super thorough. The classes are impactful. And the support provided by JJA is unmatched.
